Java Developer

Description

Empowering our Clients with People-Driven Digital Innovation Across Europe

We are a Group managing digital IT services and solutions, driven by people, innovation, agility, and deep industry insight. We are working with the largest private and public institutions to deliver IT services and solutions.

Being an entrepreneurial digital services group with a Human-Sized Tech Company, we are built by passionate experts and led by seasoned leaders in IT and digital transformation.

Responsibilities

- Need to implement microservices that would be consumed by other services or schedulers interacting with 3rd party APIs
- Be an expert on REST API design, following industry standards in terms of naming, Domain Driven Design, scalability, and security
- Integrate Oauth2 with an identity provider using OKTA
- Load test the implemented solution and define relevant KPIs
- Write technical specifications and API documentation using OpenAPI standards
- Have a product vision, working closely with the Tech Lead in technical grooming for defining details of the US and identifying limitations

Qualifications

- Good knowledge of Java programming, including Functional programming, Lambda expressions, and Stream API
- Strong experience with the Spring framework
- Good understanding of event-driven architectures and microservices
- Experienced with Google Cloud Platform (GCP) or similar cloud platforms
- Strong skills in REST API design, OpenAPI specifications, and industry-standard practices
- Experience with Oauth2 and identity provider integration (e.g., Okta)
- Good knowledge of both SQL and NoSQL databases
- Testing-oriented mindset with strong DevOps awareness
- Excellent soft skills, including the ability to collaborate closely with the Tech Lead, product-oriented thinking, and attention to scalability and performance

Job Benefits

- Competitive salary and the opportunity to have a meaningful job where you can make a difference
- The chance to continuously evolve as a professional
- Medical insurance & Meal tickets. Variety of training opportunities
